The Arts Fair Committee decided to make this year's theme "40<sup>th</sup> Anniversary." Lunch was held at Green Park at 11:00 a.m., but just before that everyone gathered around for the releasing of green and gold balloons. A tent was set up with a cake and cupcakes underneath to soothe that sweet tooth after lunch. Green and gold were the colors in 1976 with the colors now being blue and gold. Before the cutting of the cake, Steven Allen, Director of BRC, asked the individuals and staff trivia questions relating to the history of Boswell. Time was ticking as everyone was excited to begin this year's Arts Fair performance at 1:00 p.m. Prior to the performances, a slideshow began to roll with pictures of past and present staff and individuals which will forever be a memorable event. After the slideshow, a warm welcome was given by Steven Allen followed by a prayer by C. Gaines. The performances began and after each act door prizes were given away to those in attendance throughout the event. Everyone looks forward to this annual event, and the representation of the decades sure brought back a lot of memories. Many thanks to everyone involved at BRC who make this look easy, even though, it is a lot of hard work! Once again, this event was a great success. We can't wait to see what next year brings!

The publication of the BRC Bulletin is made possible by contributions from our dedicated and talented employees. The articles and pictures were written, taken and formatted by BRC employees. Their contributions are greatly appreciated! We sincerely hope that you enjoy this edition of the Boswell Regional Center Bulletin, September 2016 Issue.

# Message From Executive Director of The Mississippi Department of Mental Health

Ms. Diana Mikula

As November approaches, there is one thing happening that I know will capture the attention of almost everyone in our state, and that is the 2016 election. We all know the election is happening on Tuesday, November 8. I'm sure we have all seen our share of the coverage that has been dominating the news for more than a year. The time is quickly approaching when we will actually be able to exercise our right to vote.

I would like to encourage all of our DMH employees to exercise that right. This is our chance to truly make changes and to have our voices heard. In our state, someone age 18 or older can register to vote through the mail or in person at one of several places, including your local circuit clerk's office, your city clerk's office, or the Department of Public Safety. If you have access to a computer, you can find everything you need to know about registering to vote at Y'all Vote, a web page set up by the Secretary of State's office. You can access it at [www.yallvote.sos.ms.gov](http://www.yallvote.sos.ms.gov).

If you are registered to vote, you can use that site to update any of your registration information that is outdated. If you haven't registered, there is a mail-in voter registration application you can download, complete, and mail to complete your registration. You must be registered at least 30 days before the election. Time is running out, but you still have until October 8 to register.

There is no doubt that the presidential election this year will be what most people are energized about and the reason most people go to the polls. I hope we won't lose sight of the other races that are taking place this year. We will be voting for our Representatives to Congress this year, for Mississippi Supreme Court justices, Appeals Court judges, county election commissioners, and county school board members. At some point, the people elected to these posts will make decisions that can affect us as Mississippians. This is our chance to make sure we have a say in the future of our communities, our state, and our nation.

Please register to vote. I hope all of us working here at the Department of Mental Health and in our state will take the time and the effort to go stand in line on election day and vote for the candidates of our choice.

Sincerely,

Diana S. Mikula

Executive Director

Department of Mental Health

# Spotlight on Janna Von Francke

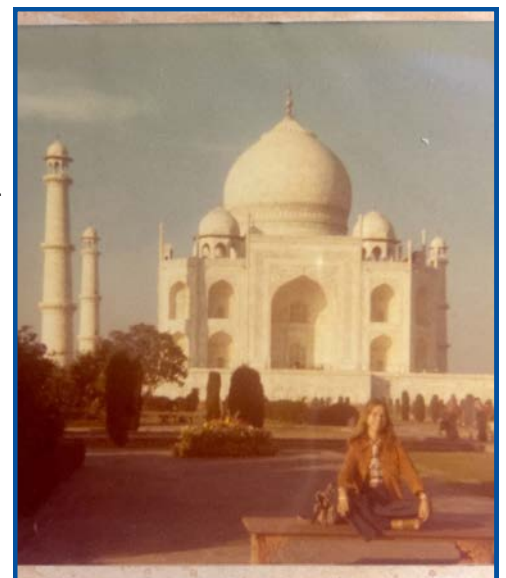

**Ms. Janna Von Francke**  
**BRC Director of Diagnostic and**  
**Evaluation Services**

Janna grew up understanding cultural diversity as a way of life. When she was 4 years old and her brother was 10, her father's boss, George Bush, Sr., owner of Zapata Offshore Drilling Company, sent the Means family to Brunei, Borneo. During her school career, Janna attended 10 different schools and lived in 8 different countries, including Australia, Singapore, Germany, Canary Islands Spain, India and Abu Dhabi United Arab Emirates. Her parents made it a point to tour the Holy Lands so they could walk in Bethlehem and in the Garden of Gethsemane. Her family's favorite was Borneo. She lived there in Seria while she was in 1<sup>st</sup> grade and again when she was in junior high in Kuala Belait, where she attended St. Angela's Convent School. "I was accepted there and made friends; Chinese, Indian, Malay, Dutch and English." Janna graduated from high school at the age of 16 from Las Palmas American School, Canary Islands. After graduation, her family moved to Mumbai (then Bombay) India and lived for one year while Mr. Means was co-manager of an offshore drilling operation in the Indian Ocean. While living in India, Janna and her mother went on elephant back safari at Tiger Tops Jungle Lodge in Nepal. "While on elephant back, we came upon a rare one-horned Rhinoceros and a Leopard up in a tree looking down at us licking his chops. One night they took us barefoot in the jungle with red flashlights to watch a Royal Bengal tiger feeding on a baby buffalo." She and her mother got to travel to Sri Lanka and

Thailand during that year. "I would urge anyone if you have a chance to put the Taj Mahal in Agra on your bucket list. Nothing on earth manmade can surpass the majesty and awe of that place." Janna is an active Alumnus of her high school in Singapore, the United World College of South East Asia. Janna learned how it feels to be different. "You go in accepting and respecting their culture and learning their language and eating their food. Once they became comfortable with me, the American, they began to accept me and include me. I learned that my friends in different countries, although different on the outside, had a lot in common on the inside with me."

Janna graduated from the University of Southern MS in 1982 with a BA in Psychology, and from Louisiana State University in 1985 with a Master's in Counseling. She graduated from MS College in 1994 with a Master's in Psychometry. She began working at BRC in 1999 in Psychology. She is a CMHT, LCIDDT, and a Licensed Professional Counselor. She is Director of Diagnostic and Evaluation services at BRC.

As a Certified Clinical Trauma Professional, Janna has a special interest in persons with intellectual disabilities. "There is a very high percentage of individuals with ID who have PTSD and a significant history of trauma in their lives. It has been argued that people with ID are more vulnerable than the general population to the disruptive effects of trauma. Prevalence rates for persons with ID have been as high as 61%." Janna is in a unique position of being not only a consumer but a provider of mental health services dealing with trauma. "In the field of people with ID there is little awareness of PTSD and its disturbing effects on daily life func-

It has been an incredible 14 years of service here at Boswell Regional Center! This job is difficult at times, but it is most fulfilling nevertheless. When I sought employment here I never thought it would result in a career. As I look back over these 14 years, the family oriented atmosphere & serving our wonderful individuals is why I'm still here. I've encountered some wonderful people here at BRC which have become life long friends! I'm truly thankful that God has placed me here, and I'm forever grateful to BRC because it's just like home!

# Family Reunion

B. Thompson is pictured here with his long lost family members. They haven't had contact with each other since Mr. Thompson was a child. Thanks to Natisha Polk, Social Worker, for locating his family and making this reunion happen.

# Purple Parade

Alzheimer's disease causes brain changes that gradually get worse. This is a devastating disease and BRC teamed together to raise awareness on September 16<sup>th</sup>. The Wellness Committee decided to have a parade/walk which was the main event that day! A balloon arch loomed the big rock at the front gate entrance, as the sidewalks were beautifully lined with purple ribbons along the route. The individuals and staff began the parade in the Oakbrook parking lot with Grand Marshals being the Employees of the Year; Lottie Keyes and Nina Magee. Everyone dashed in behind the golf cart and waved happily to the by standers. Some even went as far as tie dying t-shirts! Each building decorated their sign out front and the winner received a pizza party that evening. Every signage was right on point but only one could be chosen. The winners were Ridgeview! The day of recognition and honor to those with Alzheimer's was an overwhelming success. Thanks to all who participated in this worthy cause.

# Alzheimer's Awareness

## Pastor's Corner

# For the Love of Money

**Bro. Rudy Jackson,  
BRC Chaplain**

One day a certain old, rich man of a miserable disposition visited a rabbi, who took the rich man by the hand and led him to a window. "Look out there," he said. The rich man looked into the street. "What do you see?" asked the rabbi. "I see men, women, and children," answered the rich man. Again the rabbi took him by the hand and this time led him to a mirror. "Now what do you see?" "Now I see myself," the rich man replied.

Then the rabbi said, "Behold, in the window there is glass, and in the mirror there is glass. But the glass of the mirror is covered with a little silver, and no sooner is the silver added than you cease to see others, but you see only yourself."

1Ti 6:5-11 Perverse disputings of men of corrupt minds, and destitute of the truth, supposing that gain is godliness: from such withdraw thyself. But godliness with contentment is great gain. For we brought nothing into *this* world, *and it is* certain we can carry nothing out. And having food and raiment let us be therewith content. But they that will be rich fall into temptation and a snare, and *into* many foolish and hurtful lusts, which drown men in destruction and perdition. For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows. But thou, O man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness.
